SmartHelp for Good 'n' Angry Kids: Teaching Children to Manage Anger

*SmartHelp for Good 'n' Angry Kids provides the reader with an innovative tool for determining a child's individual learning strengths, and for pairing this information with specific, carefully crafted activities that teach the child about anger and its appropriate expression.*

Source: Wiley-Blackwell

Author(s): Jacobelli, Frank; Watson, Lynn Ann

ISBN-10: 0470758023

The text provides innovative tools for identifying each child's individual learning strengths, including personalized learning — providing primary, secondary and tertiary techniques to suit your child. This book is a vital supplement to standard psychotherapeutic approaches such as play therapy, cognitive behavioural, family therapy and traditional anger management techniques.
