LWW Journal Definitive Archive

More than 4 million pages of archival material from nearly 250 journals in medicine, healthcare, and nursing

Source: Lippincott Williams & Wilkins (LWW)

Available via Journals@Ovid, the LWW Journal Definitive Archive gives you instant access to the backfiles of nearly 250 high-quality journals from one of the world’s most prestigious publishers. Over the years, these titles have chronicled important breakthroughs in research and techniques in research in major medical and clinical specialties, from nursing and cardiology to infectious disease and anesthesiology.

What kind of foundational literature can you find in the Archive?

• Important literature on how E-coli infections spread in children
• The establishment of a pediatric Crohns-Disease Activity Index
• Results of a physician’s survey on echocardiographic measurements
• The introduction of the Injury Severity Score, which emergency care rofessionals use to quickly evaluate victims of multiple injuries
