Advances in Neonatal Care

The official journal of the National Association of Neonatal Nurses (NANN).

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Catherine L. Witt

ISSN: 15360903 EISSN: 15360911

Advances in Neonatal Care takes a unique and dynamic approach to the original research and clinical practice articles it publishes. Addressing the practice challenges faced every day--caring for the 40,000-plus low-birth-weight infants in Level II and Level III NICUs each year--the journal promotes evidence-based care and improved outcomes for the tiniest patients and their families.

Peer-reviewed editorial includes unique and detailed visual and teaching aids, such as Family Teaching Toolbox, Research to Practice, Cultivating Clinical Expertise, and Online Features.
