Current Opinion in Supportive and Palliative Care

Provides an up-to-date account of the most important advances in the field of supportive and palliative care

Source: Lippincott Williams & Wilkins (LWW)
Author(s): Ahmedzai, Sam; Dickenson, Anthony; Chow, Edward
ISSN: 17514258  EISSN: 17514266

Each issue contains either two or three sections delivering a diverse and comprehensive coverage of all the key issues, including end-of-life management, gastrointestinal systems and respiratory problems. Current Opinion in Supportive and Palliative Care is an indispensable journal for the busy clinician, researcher or student with condensed reviews, supplemented with References and Recommended Reading and Current World Literature - a thorough bibliography compiled from the top journals in the field.
