Current Opinion in Nephrology & Hypertension

Provides an up-to-date account of the most important advances in the field of nephrology and hypertension

Source: Lippincott Williams & Wilkins (LWW)
Author(s): Brenner, Barry M.
ISSN: 10624821  EISSN: 14736543

Each issue contains either two or three sections delivering a diverse and comprehensive coverage of all the key issues, including pathophysiology of hypertension, circulation and hemodynamics, and clinical nephrology. Current Opinion in Nephrology and Hypertension is an indispensable journal for the busy clinician, researcher or student with condensed reviews, supplemented with References and Recommended Reading and Current World Literature - a thorough bibliography compiled from the top journals in the field.
