

Visible Body®

Available at this
Institution

Installing the apps:

- Using the mobile device's browser, go to the link below. When the page loads you should see only the apps associated with the IP range of your device. (If nothing appears then then phone isn't accessing through the network IP range.)

<http://ovid.visiblebody.com/mobile/>

- If you are experiencing difficulties turn off your “Mobile Data” and log into your institutions WIFI. Turning off the device's mobile data connection ensures the phone is connecting through the institution's WIFI network IP range.
